Sport Data API

```
app.get("/all-teams", (req, res) => {
  var options = {
    url: "https://app.sportdataapi.com/api/v1/soccer/teams?
apikey=90b4e9e0-95ef-11eb-8fee-c576c3f38f70&country_id=48",
  };
  function callback(error, response, body) {
    if (!error && response.statusCode == 200) {
      let apiTeams = JSON.parse(body).data;
      res.status(200).json({
        teams: apiTeams,
      });
    }
  }
  request(options, callback);
});
```
